

GET INVOLVED. WE WANT YOUR CREATIVE IDEAS FOR THE FUTURE OF OUR N/NE NEIGHBORHOODS.

LOOK WHAT'S HAPPENING IN NORTH AND NORTHEAST PORTLAND.

The Portland Development Commission has partnered with hundreds of property owners, small and large business owners, non-profit and government agencies and citizens in North/Northeast Portland to support job creation and business expansion, housing projects, develop commercial buildings, and revitalize neighborhoods with community gathering places, street improvements, parks and open spaces. The new opportunity that lies ahead is called the North/Northeast Economic Development Initiative.

BE A PART OF IT!

From August to December 2009, a Citizen Advisory Committee will meet to review and discuss priorities for new projects and investments, possible boundary adjustments (or expansions), and past and planned investments in the Interstate Corridor and Oregon Convention Center urban renewal areas. Advance economic opportunity and livability right in your neighborhood. It's an exciting time for North/Northeast Portland. Together, we have the opportunity to look ahead – and help shape the area to make a real and positive difference in people's lives for years to come.

**All meetings will be held at the Billy Webb Elks Lodge
6 North Tillamook Street.**

GET INVOLVED. PROVIDE YOUR CREATIVE IDEAS FOR THE FUTURE OF OUR N/NE NEIGHBORHOODS.

Areas shaded in blue are being studied for inclusion in the Interstate Corridor and Oregon Convention Center urban renewal areas. Inclusion will make them eligible for tax increment financing, PDC's primary tool for increasing opportunities and quality of life throughout Portland.

The North/Northeast Economic Development Initiative will expand opportunities for:

- Affordable Housing
- Job Creation
- Economic Development
- Parks and Open Space
- Transportation
- Community and Historic Facilities
- Redevelopment

HELP PAINT THE BIG PICTURE.
